Technology Integration Group Acquires WAVEnet Technologies, Inc.

San Diego, CA—May 13, 2011—Technology Integration Group (TIG) has announced the acquisition of Pensacola, FL based computer systems integrator WAVEnet Technologies, Inc. Founded in 1998, WAVEnet is the leading provider of IT solutions in the gulf coast region and has offices located in Pensacola, FL, Fort Walton Beach, FL, and Mobile, AL. As part of the acquisition, all WAVEnet employees will be joining TIG including company principals Michael Catanese and Nigel Los.

“We at WAVEnet Technologies are excited about joining Technology Integration Group, and look forward to being part of the organization,” said WAVEnet founder Michael Catanese. “As a part of TIG we will be able to offer our customers a broader range of technology solutions expertise and capabilities. We look forward to being an effective part of the company and to growing further with TIG.”

“The addition of WAVEnet expands TIG’s reach, expertise, and personnel in the gulf coast region, and we are pleased to welcome WAVEnet’s employees to the TIG team,” said Bruce Geier, TIG President/CEO. “WAVEnet is a technology integrator with exceptional expertise in networking solutions and services, and this acquisition is a strong fit for TIG.”

Both TIG and WAVEnet offer customers a suite of products and services such as networking, virtualization and remote backup, as well as certifications and strong relationships with key vendors. The seller was represented by Steve Pomeroy, managing member and founder of SEP Consulting, LLC.
